

CCS Student Idea #1: Giving Children In Hospitals Teddy Bears

Open Ended, Driving question(s):

Research: How can I comfort kids going through hard times?

Whole Project: How can I make my mark in the world?

Where can I go to help out kids who need comforting and what to kids with diseases like cancer need to be comforted?

Your interest or personal connection to the topic:

I have always wanted to help people. I enjoy making people happy and I feel like giving people something to comfort them.

Learning: What do you KNOW and what do you still need to LEARN?

I know: I need to find a hospital that has pediatrics

I still need to learn: What the restraints are in a hospital
