

CCS Student Idea #2: __Helping Out The Elderly

Open Ended, Driving question(s):

What can I do to help elderly that need attention?

Your interest or personal connection to the topic:

My mom used to work at a hospital when she was younger, and I have also wanted to follow in her footsteps. I want to help out people who want to comforting and who are lonely. I also want to find out if I can just help improve elderly people's life.

Learning: What do you KNOW and what do you still need to LEARN?

I know that sometimes in elderly homes people get lonely and they need attention. I need to learn how I can help older people without being intrusive. I also need to learn where there are elderly people homes that people my age can volunteer at.
