

**CCS Student Idea #3: Volunteer at a Soup Kitchen**

**Open Ended, Driving question(s):**

**Where are soup kitchens in my area?**

**How can I volunteer at a soup kitchen near me?**

**What are homeless people's needs?**

**What can I do to help improve homeless people's lives?**

**Your interest or personal connection to the topic:**

**I love to help, in any way I possibly can. I have always felt connected to people who are hungry, because, once when I was in New York, this man gave a speech on how his family had lost his house and he really needed food to feed his children and wife. I was really moved by that, and I felt very privileged to have a nice home and a nice life. Since then, I have always wanted to help the people who aren't as privileged as I am.**

**Learning: What do you KNOW and what do you still need to LEARN?**

**I know that there are people who need help. I need to learn what I could do at a soup kitchen, and what needs people have.**

**Possible Products:**

A COLLAGE OF PICTURES OF MY VISIT

A SLIDESHOW THAT HAS WHAT I DID AND WHY

**Materials:**

**A camera**

**Plastic gloves (I am assuming)**
