

# Escaping the Giant Wave

By Peg Kehret

Mind Blowing, Eye Opening story! Twists, suspense and more! All in this book! Kyle faces challenges and hardships with people around him, but he pushes through to be the best brother ever for his younger sister. My siblings are very similar to Kyle, so I was able to connect with the character relationships. The two siblings are always together and it reminded me of me and my siblings. This book had me at the edge of my seat in multiple parts. I would for sure read this again!
